

AT HOME

AES TV

AES TV is a cloud-based platform that allows you to access your favorite live, recorded and on-demand shows, movies and sports with ease!

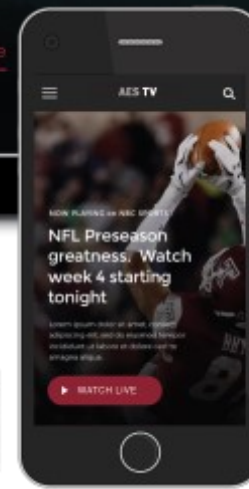

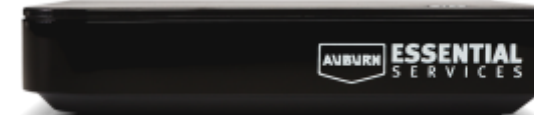

- Modern viewing experience - any device, anytime, anywhere
- Voice search and navigation built right into your remote
- Ability to search all your streaming services at once with universal search
- Parental controls
- Pause and Start from Beginning functionality available with most programmers
- Cloud DVR with playback to any device

AES Set-top Box (STB)

One AES TV set-top box (STB) is included with your AES TV subscription. You may add more for a fee, or you may use your own device. You will always receive the best experience and highest level of support with an AES-provided STB.

Note: AES recommends TV subscribers also have either the Cord or Duesenberg internet plans to ensure an optimum viewing and streaming experience.

ON THE GO

watchTVEverywhere

watchTVEverywhere is now available as part of your AES TV subscription! This option allows you to watch your favorite programs on the go with your personal devices. Simply register your AES TV account with watchTVEverywhere, and then live stream to any device that has Internet access—anytime you want. Check the WTVE column in the channel listing for the channels available via watchTVEverywhere.
